Dear **YES** Camp Parents & Interested Parties,

We are pleased to announce that we are actively preparing to reopen **YES** Summer Camp in 2023. We have hired a new Camp Director as Mr. Ricky Osborne has resigned to plan for his retirement. We truly appreciate all he did for the summer camp to help make it successful over the past six years and wish him the very best for the future. We look forward to working with our new Camp Director soon.

Over the past 2 years, there has been several changes made to the Summer Camp Safety Standards due to Covid-19 which we must adhere to, especially as it relates to staff training and procedures. We are getting things in place now to ensure we can pass our state inspection easily.

We want your children and the staff to have a good and safe experience as we learn to live in this covid environment. We thank you for your understanding and look forward to seeing and serving you next summer.

Sincerely,

CDC | NNJ Board of Directors
